

## Reviews for Dave and Mandy Concert

It is now over a week since Dave and Mandy came to KCC (Knottingley Community Church) the talk amongst the congregation is still about how good the evening was! The combination of song and testimony, with added *good old rock and roll* had everyone clapping and even dancing in the aisles!

We had folk from the community that do not attend the church, who all said they enjoyed the evening. We would welcome Dave and Mandy (and not forgetting Alan on the keyboards) back in a flash and we will be booking them to come again. Altogether a memorable evening... full of the spirit of God... a blessing to all who attended. Mandy and Dave - a very big thank you for such a great evening, every blessing to you.

Dave and Mandy did a fund raising night for us here in Scarborough, raising funds for missionary work in the Philippines. It was an excellent evening of great music, testimony and Gospel presentation. I would highly recommend them and their ministry.

Dave and Mandy have a very gentle yet positive attitude in ministry. They carry a deep sense of hope in their message. I have had the opportunity of interviewing them for a radio show I produce and they have ministered at my church.

We have known Dave and Mandy Scott-Morgan for many years and have had the pleasure of their company both socially and in Evangelistic Events. Their story and their relationship with God come through in everything they do and we respect them for their sincerity in not pretending they have everything sussed. Dave's experience with the world famous band The Electric Light Orchestra is entertaining and eye-opening and he is humble about his influence in the many well-know tunes and hits the group has had over the years. Dave and Mandy in outreach manage to meld good old fashioned classic music with their personal awareness of God and His influence on their lives. Our experience is that the general public is fascinated by the story and connects really well with the music and Dave and Mandy as a couple.

An event with Dave and Mandy will appeal to Christians and non-Christians alike as they promote their blend of evangelism through music.

## Ministry Recommendation

It's my pleasure to recommend Dave and Mandy to you.

Mandy was a young child in an Elim church I pastored back in the 70's. Some years later, when I was at Christian Life Centre, Selly Oak, Mandy became an integral part of the church and was part of the full time drama team ministering in schools, clubs etc.. She subsequently spent some years in the Philippines as a missionary and has been actively involved in Christian ministry ever since.

Dave was converted at CLC some 30 years ago. His background in music, especially his time with ELO, will be known to you from other sources. Dave rapidly grew as a new Christian and eventually he and Mandy pastored a church for some ten years. Dave continued his secular song writing during this time and at the same time, began writing Christian material. He has produced a number of albums, both secular and Christian.

Their public presentations are of a high standard and are professionally produced. They are comfortable in either an evangelistic setting or, for example, in leading worship and teaching in a normal church service. God's anointing is very apparent in their ministry. They have a number of formats available to suit different situations.

I have no hesitation in recommending Dave and Mandy's ministry presentations to you.

Sincerely,

**Rev. David Woodfield M.Th., M.A.**
